BRIEF SUMMARY

As a BCA graduate, I possess a solid grounding in computer application development, programming languages, data analytics, and technical skills. I am a quick learner and a collaborative team member, keen to contribute to an organization's success through my technological expertise and enthusiasm. I am driven to expand my abilities and am in search of a challenging role that will allow me to apply my skills and acquire hands-on experience in computer science. I am seeking a dynamic career path where I can refine my skills and qualifications to attain professional advancement.
